invites Maryland students to participate in the
Love Your Tree Call for Posters
July 15 - December 16, 2011

Original poster designs responding to
the statement: “*Like a Tree, My Body Is...*”

Love Your Tree is a creative arts program that promotes positive body image. It is based on the work of feminist writer, Eve Ensler.

In her play, “*The Good Body*,” Eve speaks to a wise African woman who compares the natural beauty of trees to the female body. She urges Eve to stop hating her body and appreciate the diversity of all body shapes.
